About Us

Ishanvi Cranes Private Limited is engaged in the manufacturing of industrial EOT Cranes and Components equipment, specializing in double girder cranes up to 100 tons Capacity

We are one of the leading manufacturers and suppliers of:

- Goliath Cranes (Double and Single Girder)
- EOT Cranes (Double and Single Girder)
- JIB Cranes
- Wire Rope Hoists and Chain Hoists
- Electrical Control Panel Boards
- End Carriages and Crabs

We cater to clients - Satara, Sangli, Chakan, Pune, Nagar, Ranchi, Orissa, Bangalore, Chennai, Hyderabad, and all other major cities across India.

Vision

To become India's most trusted industrial crane manufacturer, delivering innovative, safe, reliable lifting solutions that empower businesses, support growth, and set new benchmarks in engineering excellence.

Mission

At Ishanvi Cranes, our mission is to design and deliver high-quality, safe, and efficient lifting equipment while providing end-to-end customer support. We aim to empower industries with customized crane solutions that improve productivity, ensure reliability, and build long-term partnerships.

Core Values

We deliver safe and reliable cranes, design modern solutions, and build lasting partnerships.

Quality

Delivering durable, safe, and precision-engineered lifting solutions every time.

Innovation

Adopting modern technology to create smarter and customized crane systems.

Trust

Building long-term partnerships through reliability, transparency, and dedicated support.

Why We Stand Out

Minimum lead time
for crane manufacturing

1

Double Girder Crane
ready within 4 weeks

3

Strategic
location

5

Well-fabricated team
to minimize delivery delays

2

Single Girder Crane
ready within 2 weeks

4

Manufacturing Facility over 22000 sq.ft. + 48000 sq.ft = 70000 sq.ft.

📍 **Office / Factory** : Gut No. 82/1, Laxmi Chowk, Old Satara Road,
Village - Sandagewadi, Tal. Palus, Dist. Sangli - 416310. Maharashtra.
